DISCHARGE APPLICATION: TOTAL AND PERMANENT DISABILITY IMPORTANT INFORMATION

- **William D. Ford Federal Direct Loan Program**
- **Federal Family Education Loan Program**
- **Federal Perkins Loan Program**
- **TEACH Grant Program**

READ THIS FIRST

- This is an application for a total and permanent disability discharge of your William D. Ford Federal Direct Loan (Direct Loan) Program, Federal Family Education Loan (FFEL) Program, and/or Federal Perkins Loan (Perkins Loan) Program loan(s), and/or your Teacher Education Assistance for College and Higher Education (TEACH) Grant Program service obligation.
- You only need to submit a single application to the U.S. Department of Education to apply for discharge of all of your Direct Loan, FFEL, and/or Perkins Loan program loans and your TEACH Grant service obligations. **Throughout this application, the words “we,” “us,” and “our” refer to the U.S. Department of Education.**
- To qualify for this discharge, you must meet **one** of the following requirements:
 1. You are a veteran who has been determined by the U.S. Department of Veterans Affairs (VA) to be **unemployable due to a service-connected disability**, and you provide documentation from the VA of that determination;
OR
 2. You have received a Social Security Administration (SSA) notice of award for Social Security Disability Insurance (SSDI) or Supplemental Security Income (SSI) stating that **your next scheduled disability review will be 5 to 7 years or more from the date of your last SSA disability determination**, and you provide a copy of that SSA notice of award.
OR
 3. You provide a certification from a physician in Section 4 of this Discharge Application that you are unable to engage in any substantial gainful activity (see definition in Section 5) by reason of a medically determinable physical or mental impairment that:
 - Can be expected to result in death;
 - Has lasted for a continuous period of not less than 60 months; or
 - Can be expected to last for a continuous period of not less than 60 months.
- If you do not meet requirement #1 or requirement #2, you may qualify for discharge by obtaining a certification from a physician in Section 4 of this application, as described above for requirement #3. If you can provide the documentation to show that you meet requirement #1 or #2 above, you are **not** required to have a physician complete Section 4.
- If you are a veteran applying for discharge under requirement #1, you must provide documentation from the VA showing that the VA has determined that you are unemployable due to a **service-connected** disability. You do not meet this requirement if your disability is not service-connected. The following two types of VA determinations meet this requirement: (1) a determination that you have a service-connected disability (or disabilities) that is 100% disabling; or (2) a determination that you are totally disabled based on an individual unemployability determination.
- If you are applying for discharge under requirement #2, the SSA notice of award that you provide must show that your next scheduled disability review will be **5 to 7 years or more from the date of your last SSA disability determination**. You do not meet this requirement if the notice of award states that your next scheduled disability review will be within less than 5 years. If the notice of award does not clearly state the date of your next scheduled review, contact the SSA office that issued the award and request a Benefits Planning Query (BPQY). The BPQY provides a summary of your SSA disability benefits, including the scheduled date for your next disability review. If your BPQY shows that your next scheduled review will be 5 to 7 years or more from the date of your last SSA disability determination, you may submit a copy of your BPQY to show that you meet requirement #2.
- If you are granted a discharge based on requirement #2 or requirement #3, we will monitor your status during a 3-year post-discharge monitoring period. Your discharged loans or TEACH Grant service obligation may be reinstated if you do not meet certain requirements during this period, as explained in Section 6 of this form.
- Except for VA or SSA determinations as described above (requirements #1 and #2), a disability determination by another federal or state agency does not qualify you for this discharge.
- Loan amounts discharged due to total and permanent disability may be considered taxable income by the Internal Revenue Service (IRS). Contact the IRS for more information.
- If you wish to designate an individual or organization to represent you in matters related to your total and permanent disability discharge request, you must complete the Total and Permanent Disability: Applicant Representative Designation form. You may obtain this form from our Total and Permanent Disability Discharge Servicer (see below for contact information).
- Before submitting your application, make sure that Section 3 and (if required) Section 4 include all requested information. Incomplete or inaccurate information may cause your application to be delayed or rejected.

SECTION 4: PHYSICIAN'S CERTIFICATION

Information and Instructions for Physician:

- The applicant identified above is applying for a discharge of a federal student loan and/or a teaching service obligation for a federal grant on the basis that he or she has a total and permanent disability, as defined in Section 5 of this form. To qualify for a discharge, the applicant must be unable to engage in any substantial gainful activity (as defined below and in Section 5) by reason of a medically determinable physical or mental impairment that **(1)** can be expected to result in death; or **(2)** has lasted for a continuous period of not less than 60 months; or **(3)** can be expected to last for a continuous period of not less than 60 months. This disability standard may be different from standards used under other programs in connection with occupational disability, or eligibility for social service or veterans benefits. A determination that the applicant is disabled by another federal agency (for example, the Social Security Administration) or a state agency does not automatically establish the applicant's eligibility for this loan discharge.
- Complete this form only if you are a doctor of medicine or osteopathy legally authorized to practice in a state, as defined in Section 5, and only if the applicant's condition meets the definition of total and permanent disability in Section 5.
- **Print legibly in dark ink or type. All fields must be completed. If a field is not applicable, enter "N/A." Your signature date must include month, day, and year (mm-dd-yyyy).**
- Provide all requested information for Items 1, 2, and 3 below, and attach additional pages if necessary. Complete the physician's certification at the bottom of this page. The applicant's loan discharge application cannot be processed if the information requested in this section is missing or if your signature is missing.
- If you make any changes to the information you provide in this section, you must initial each change.
- **Please return the completed form to the applicant or the applicant's representative.** The U.S. Department of Education may contact you for additional information or documentation.

1. Medically Determinable Physical or Mental Impairment. Does the applicant have a medically determinable physical or mental impairment that **(a)** prevents the applicant from engaging in any substantial gainful activity, in any field of work, and **(b)** can be expected to result in death, or has lasted for a continuous period of not less than 60 months, or can be expected to last for a continuous period of not less than 60 months?

Yes No

Substantial gainful activity means a level of work performed for pay or profit that involves doing significant physical or mental activities, or a combination of both. *If the applicant is able to engage in any substantial gainful activity, in any field of work, you must answer "No." The determination of whether or not the applicant can perform substantial gainful activity is not based on whether the applicant can perform his or her current or past job or profession.*

IF THE ANSWER TO QUESTION 1 IS NO, DO NOT COMPLETE THIS APPLICATION.

2. Disabling Condition. Complete Items **(a)** and **(b)** regarding the applicant's disabling impairment. **Do not use abbreviations or insurance codes.**

(a) Provide your diagnosis of the applicant's impairment: _____

(b) Describe the severity of the disabling physical or mental impairment, including, if applicable, the phase of the disabling condition: _____

3. Limitations. Explain how the disabling condition prevents the applicant from engaging in substantial gainful activity in any field of work by responding to Items **(a)** through **(e)** below, as relevant to the applicant's condition. Attach additional pages if more space is needed. In addition to what is required below, you may include any additional information that you believe would be helpful in understanding the applicant's condition, such as medications used to treat the condition, surgical and non-surgical treatments for the condition, etc.

(a) Limitations on sitting, standing, walking, or lifting: _____

(b) Limitations on activities of daily living: _____

(c) Residual functionality: _____

(d) Social/behavioral limitations, if any: _____

(e) Current Global Assessment Function Score (for psychiatric conditions): _____

- **I understand** that an applicant who is currently able to engage in any substantial gainful activity in *any* field of work does not have a total and permanent disability as defined on this form.

I am a doctor of (check one) medicine osteopathy/osteopathic medicine.

I am legally authorized to practice in the state identified below and I have provided my professional license number below.

State Where Legally Authorized to Practice Professional License Number (stamp is acceptable; subject to verification through state records)

SECTION 5: DEFINITIONS

- If you have a **total and permanent disability**, this means that:

(1) You are unable to engage in any substantial gainful activity by reason of a medically determinable physical or mental impairment that can be expected to result in death, or that has lasted for a continuous period of not less than 60 months, or that can be expected to last for a continuous period of not less than 60 months; **OR**

(2) You are a veteran who has been determined by the VA to be **unemployable due to a service-connected disability**.

IMPORTANT INFORMATION ABOUT THE DEFINITION OF "TOTAL AND PERMANENT DISABILITY":

To demonstrate that you have a total and permanent disability in accordance with paragraph (1) of this definition, you must either (a) provide a copy of an SSA notice of award for SSDI or SSI benefits or an SSA Benefits Planning Query (BPQY) stating that your next scheduled disability review will be 5 to 7 years from the date of your last SSA disability determination, or (b) have a physician who is a doctor of medicine or osteopathy complete Section 4 of this application.

To demonstrate that you have a total and permanent disability in accordance with paragraph (2) of this definition, you must provide documentation of a determination from the VA that you are unemployable due to a service-connected disability. See page 1 of this form for more information on acceptable documentation.

The above definition of "total and permanent disability" may differ from disability standards used by other federal agencies. Except for certain individuals who have received SSA notices of award for SSDI or SSI benefits, as explained above, or for certain veterans, a disability determination by another federal or state agency does not establish your eligibility for a discharge of your loan(s) and/or TEACH Grant service obligation due to a total and permanent disability.

- **Substantial gainful activity** means a level of work performed for pay or profit that involves doing significant physical or mental activities, or a combination of both.
- A **discharge of a loan** due to a total and permanent disability cancels your obligation (and, if applicable, an endorser's obligation) to repay the remaining balance on your Direct Loan, FFEL, and/or Perkins Loan program loans. A **discharge of a TEACH Grant service obligation** cancels your obligation to complete the teaching service that you agreed to perform as a condition for receiving a TEACH Grant.
- The **post-discharge monitoring period** begins on the date we grant a discharge of your loan(s) or TEACH Grant service obligation and lasts for three years. If you fail to meet certain conditions at any time during or at the end of the post-discharge monitoring period, we will reinstate your obligation to repay your loan(s) or complete your TEACH Grant service. See Section 6 for more information. **Note to Veterans:** The post-discharge monitoring period does not apply if you are a veteran who receives a discharge based on a determination from the VA that you are unemployable due to a service-connected disability.
- The **William D. Ford Federal Direct Loan (Direct Loan) Program** includes Federal Direct Stafford/Ford Loans (Direct Subsidized Loans), Federal Direct Unsubsidized Stafford/Ford Loans (Direct Unsubsidized Loans), Federal Direct PLUS Loans (Direct PLUS Loans), and Federal Direct Consolidation Loans (Direct Consolidation Loans).
- The **Federal Family Education Loan (FFEL) Program** includes Federal Stafford Loans (both subsidized and unsubsidized), Federal Supplemental Loans for Students (SLS), Federal PLUS Loans, and Federal Consolidation Loans.
- The **Federal Perkins Loan (Perkins Loan) Program** includes Federal Perkins Loans, National Direct Student Loans (NDSL), and National Defense Student Loans (Defense Loans).
- The **Teacher Education Assistance for College and Higher Education (TEACH) Grant Program** provides grants to students who agree to teach full time for at least four years in high-need fields in low-income elementary or secondary schools as a condition for receiving the grant funds. If a TEACH Grant recipient does not complete the required teaching service within eight years after completing the program of study for which the TEACH Grant was received, the TEACH Grant funds are converted to a Direct Unsubsidized Loan that the grant recipient must repay in full, with interest, to the U.S. Department of Education.
- The **holder** of your FFEL Program loan(s) may be a lender, a guaranty agency, or the U.S. Department of Education. The holder of your Perkins Loan Program loan(s) may be a school you attended or the U.S. Department of Education. The holder of your Direct Loan Program loan(s) and/or your TEACH Grant Agreement to Serve (if you received a TEACH Grant) is the U.S. Department of Education. Your loan holder may use a servicer to handle billing and other matters related to your loan. The term "holder" as used on this application means either your loan holder or, if applicable, your loan servicer.
- The term "**state**" for purposes of the physician's certification in Section 4 (the physician must be licensed to practice in a state) includes the 50 United States, the District of Columbia, American Samoa, the Commonwealth of Puerto Rico, Guam, the U.S. Virgin Islands, the Commonwealth of the Northern Mariana Islands, the Republic of the Marshall Islands, the Federated States of Micronesia, and the Republic of Palau.
- A **representative** is a member of your family, your attorney, a law firm or legal aid society, or another individual or organization authorized to act on your behalf in connection with your total and permanent disability discharge application.

SECTION 6: DISCHARGE PROCESS / ELIGIBILITY REQUIREMENTS / TERMS AND CONDITIONS FOR DISCHARGE (continues on next page)

APPLYING FOR DISCHARGE (ALL APPLICANTS):

- 1. Submission of discharge application.** After you submit your completed discharge application and any required documentation to us, we will send you a notice that will:
 - Acknowledge receipt of your application;
 - Explain the process for our review of total and permanent disability discharge applications; and
 - Inform you that your loan holders will suspend collection activity or continue the previous suspension of collection activity on your loans while we review your application for discharge (you are not required to make any payments on your loans during this period).
- 2. Consequences of failure to submit discharge application.** If you do not submit an application for total and permanent disability discharge to us within 120 days of notifying us that you intend to submit an application, collection activity will resume on your loans, and your loan holder may capitalize any unpaid interest that accrued during the 120-day period. This means that the unpaid interest will be added to the principal balance of your loans, and interest will then be charged on the increased loan principal amount. However, if you have a FFEL Program loan and the loan holder is a guaranty agency, or if you have a Federal Perkins Loan, unpaid interest will not be capitalized at the end of the 120-day period.

DISCHARGE PROCESS FOR VETERANS WHO HAVE BEEN DETERMINED BY THE VA TO BE UNEMPLOYABLE DUE TO A SERVICE-CONNECTED DISABILITY:

- 1. Our review of your discharge application.** We will review the documentation from the VA to determine if you are totally and permanently disabled as described in paragraph (2) of the definition of “total and permanent disability” in Section 5 of this application.
- 2. Determination of eligibility or ineligibility for discharge.** If we determine that you are totally and permanently disabled, you will be notified that your loans and/or TEACH Grant service obligation has been discharged. The discharge will be reported to nationwide consumer reporting agencies, and any loan payments received on your loan on or after the effective date of the determination by the VA that you are unemployable due to a service-connected disability will be refunded to the person who made the payments.

If we determine that you are **not** totally and permanently disabled, you will be notified of that determination. The notification will include:

- The reason or reasons for the denial of your discharge application;
- An explanation that your loans are due and payable to the loan holder under the terms of the promissory note that you signed and that your loans will return to the status they were in at the time you applied for a total and permanent disability discharge;
- An explanation that your loan holder will notify you of the date you must resume making payments on your loans; and
- An explanation that if you applied for a discharge of a TEACH Grant service obligation, you must comply with all terms and conditions of your TEACH Grant Agreement to Serve.

The notification will also explain your ability to request reconsideration of this determination or to submit a new discharge application:

- You may request that we re-evaluate your discharge application if, within 12 months of the date of the notification from us that you are ineligible for discharge, you provide us with additional documentation from the VA that supports your eligibility for discharge (you do not have to submit a new application); or
- If the documentation from the VA does not indicate that you are unemployable due to a service-connected disability, you may reapply for discharge under the “Discharge Process For All Other Applicants,” as described below (you must submit a new application with the required documentation from the SSA or a physician’s certification in Section 4).

DISCHARGE PROCESS FOR ALL OTHER APPLICANTS:

- 1. Our review of your discharge application.** If you submit a discharge application supported by an award of benefits notice from the SSA or an SSA Benefits Planning Query (BPQY), we will review the SSA notice of award (or BPQY) to determine if it meets the requirements described in Section 2, Item 2 of this form. If you submit a discharge application supported by a physician’s certification in Section 4 of this application, we will review the physician’s certification and any accompanying documentation to determine if you are totally and permanently disabled as described in paragraph (1) of the definition of “total and permanent disability” in Section 5 of this application. We may also contact your physician for additional information, or may arrange for an additional review of your condition by an independent physician at our expense. Based on the results of this review, we will determine your eligibility for discharge.

If we determine during our review of your application that you received a Direct Loan or Perkins Loan program loan, or a TEACH Grant before the date we received the SSA notice of award (or BPQY) or before the date the physician certified your application in Section 4, and a disbursement of that loan or grant is made after that date, but before we have granted a discharge, we will suspend processing of your discharge request until you ensure that the full amount of the disbursement is returned to the loan holder or (for a TEACH Grant) to us.

If you apply for a total and permanent disability discharge and we determine as part of its review that a new Direct Loan or Perkins Loan program loan or a new TEACH Grant was made to you on or after the date we received the SSA notice of award (or BPQY) or the date the physician certified your application in Section 4, and before the date we grant a discharge, we will deny your discharge request. Collection will resume on your loans and you will again be responsible for complying with the terms and conditions of your TEACH Grant Agreement to Serve.

- 2. Determination of eligibility or ineligibility for discharge.** If we determine that you are totally and permanently disabled, we will notify you that a discharge has been approved, and that you will be subject to a post-discharge monitoring period for three years beginning on the discharge date. The notification of discharge will explain the terms and conditions under which we will reinstate your obligation to repay your loan or to complete your TEACH service, as described in Item 3, below. The discharge will be reported to nationwide consumer reporting agencies, and any loan payments that were received after the date we received the SSA notice of award for SSDI or SSI benefits (or BPQY) or after the date the physician certified your discharge application will be returned to the person who made the payments.

If we determine that you are **not** totally and permanently disabled, we will notify you of that determination. The notification will include:

- The reason or reasons for the denial of your discharge application;
- An explanation that your loans are due and payable to the loan holder under the terms of the promissory note that you signed and that your loans will return to the status that would have existed if your total and permanent disability discharge application had not been received;
- An explanation that your loan holder will notify you of the date you must resume making payments on your loans;
- An explanation that if you applied for a discharge of a TEACH Grant service obligation, you must comply with all terms and conditions of your TEACH Grant Agreement to Serve;
- An explanation that you are not required to submit a new total and permanent disability discharge application if, within 12 months of the date of our notification to you that you are ineligible for discharge, you provide additional information regarding your disabling condition that supports your eligibility for discharge, and you request that we re-evaluate your discharge application; and
- An explanation that if you do not request re-evaluation of your prior discharge application within 12 months of the date of our notification of ineligibility for discharge, and you still wish to have us re-evaluate your eligibility for a total and permanent disability discharge, you must submit a new total and permanent disability discharge application to us.
- If you request a re-evaluation of your total and permanent disability discharge application or submit a new total and permanent disability discharge application, as described above, your request must include new information regarding your disabling condition that was not provided to us in connection with your prior application for discharge.

SECTION 6: DISCHARGE PROCESS / ELIGIBILITY REQUIREMENTS / TERMS AND CONDITIONS FOR DISCHARGE (continued)

3. Post-discharge monitoring period. If you are granted a discharge, we will monitor your status during the 3-year post-discharge monitoring period that begins on the date the discharge is granted. We will reinstate the requirement for you to repay your loans and/or complete your TEACH Grant service if, at any time during or at the end of the post-discharge monitoring period, you:

- Receive annual earnings from employment that exceed the poverty guideline amount (see **Note** below) for a family of two in your state, regardless of your actual family size;
- Receive a new loan under the Direct Loan Program or the Perkins Loan Program, or a new TEACH Grant;
- Receive a disbursement of a Direct Loan Program or Perkins Loan Program loan or a TEACH Grant that was initially disbursed prior to your discharge date and you fail to ensure that the disbursement is returned to the loan holder or (for a TEACH Grant) to us within 120 days of the disbursement date; or
- Receive a notice from the SSA indicating that you are no longer disabled or that your continuing disability review will no longer be the 5- to 7-year period indicated in the SSA notice of award for SSDI or SSI benefits or BPQY.

During the 3-year post-discharge monitoring period, you (or your representative) must:

- Promptly notify us of any changes in your address or telephone number;
- Promptly notify us if your annual earnings from employment exceed the poverty guideline amount for a family of two in your state (see **Note** below), regardless of your actual family size;
- Upon request, provide us with documentation of your annual earnings from employment, on a form that we will provide; and
- Promptly notify us if you receive a notice from the SSA indicating that you are no longer disabled or that your continuing disability review will no longer be the 5- to 7-year period indicated in the SSA notice of award for SSDI or SSI benefits or BPQY (after you had been previously determined to be disabled by the SSA, were receiving SSDI or SSI benefits, and had a continuing disability review period of 5 to 7 years or more from the date of your last SSA disability determination).

Note: The poverty guideline amounts are updated annually and may be obtained at <http://aspe.hhs.gov/poverty>. We will notify you of the current poverty guideline amounts during each year of the post-discharge monitoring period.

4. Reinstatement of obligation to repay discharged loans or complete discharged TEACH Grant service obligation. If you do not meet the requirements described above in Item 3 at any time during or at the end of the post-discharge monitoring period, we will reinstate your obligation to repay your loans and/or to complete your TEACH Grant service. If your loans are reinstated, you will be responsible for repaying your loans to us in accordance with the terms of your promissory note(s). Your loans will be returned to the status that would have existed if we had not received your total and permanent disability discharge application. However, you will not be required to pay interest on your loans for the period from the date of the discharge until the date your repayment obligation was reinstated. We will be your loan holder. If your TEACH Grant service obligation is reinstated, you will again be subject to the requirements of your TEACH Grant Agreement to Serve. If you do not meet the terms of that agreement and the TEACH Grant funds you received are converted to a Direct Unsubsidized Loan, you must repay that loan in full, and interest will be charged from the date(s) that the TEACH Grant funds were disbursed.

If your obligation to repay your loans or to complete your TEACH Grant service is reinstated, we will notify you of the reinstatement. This notification will include:

- The reason or reasons for the reinstatement;
- For loans, an explanation that the first payment due date on the loan following the reinstatement will be no earlier than 60 days following the date of the notification of reinstatement; and
- Information on how you may contact us if you have questions about the reinstatement, or if you believe that your obligation to repay a loan or complete TEACH Grant service was reinstated based on incorrect information.

SECTION 7: ELIGIBILITY REQUIREMENTS TO RECEIVE FUTURE LOANS OR TEACH GRANTS

FOR VETERANS WHO RECEIVE A TOTAL AND PERMANENT DISABILITY DISCHARGE BASED ON A DETERMINATION BY THE VA THAT THEY ARE UNEMPLOYABLE DUE TO A SERVICE-CONNECTED DISABILITY:

If you are a veteran who is granted a **discharge** based on a determination that you are totally and permanently disabled as described in paragraph (2) of the definition of "total and permanent disability" in Section 5 of this application, you are not eligible to receive future loans under the Direct Loan Program or the Perkins Loan Program, or future TEACH Grants, unless:

- You obtain a certification from a physician that you are able to engage in substantial gainful activity; and
- You sign a statement acknowledging that the new loan or TEACH Grant service obligation cannot be discharged in the future on the basis of any injury or illness present at the time the new loan or TEACH Grant is made, unless your condition substantially deteriorates so that you are again totally and permanently disabled.

FOR ALL OTHER INDIVIDUALS WHO RECEIVE A TOTAL AND PERMANENT DISABILITY DISCHARGE:

If you are granted a **discharge** based on a determination that you are totally and permanently disabled in accordance with paragraph (1) of the definition of "total and permanent disability" in Section 5 of this application, you are not eligible to receive future loans under the Direct Loan Program or the Perkins Loan Program, or future TEACH Grants, unless:

- You obtain a certification from a physician that you are able to engage in substantial gainful activity;
- You sign a statement acknowledging that the new loan or TEACH Grant service obligation cannot be discharged in the future on the basis of any injury or illness present at the time the new loan or TEACH Grant is made, unless your condition substantially deteriorates so that you are again totally and permanently disabled; and

If you request a Direct Loan Program or Perkins Loan Program loan, or a new TEACH Grant, within three years of the date that a previous loan or TEACH Grant was discharged, you resume payment on the previously discharged loan or acknowledge that you are once again subject to the terms of the TEACH Grant Agreement to Serve before receiving the new loan.
