Central Research, Inc. Awarded Contract to Provide Execution Team Member Services to the Army National Guard Professional Education Center

Alexandria, Virginia, April 1, 2015 – The Army National Guard Professional Education Center has awarded Central Research, Inc. (CRI) a Prime contract to provide Execution Team Member services.

This contract is a for one base year plus four option years for a total funding value of \$900,000. CRI will support Army National Guard Bureau by providing all personnel, equipment, tools, materials, supervision, transportation, and other services necessary to perform Execution Team Member services for the National Guard Professional Education Center (NGPEC) at Camp Robinson, North Little Rock, Arkansas. CRI also provides operational and logistical support for conferences and workshops.

During the Fiscal Year of 2016, CRI has hosted 253 conferences with more than 18,253 attendees with a successful outcome of each conference. The success is due to our CRI staff members that serve on site who have worked tirelessly to deliver superior support as outlined in a Letter of Appreciation received from NGB.
